INTRODUCTION

The following compilation is taken from the microfilm where the order of enumeration was taken house by house. It should be noted that the Enumerator was not always familiar with the other languages in the parish, and therefore the spelling of the names or trades were often phonetic. The original information has been maintained, including any spelling errors.

Where the handwriting was illegible, the "chosen" name is followed by either a (?) question mark, or ( ) parenthesis containing the name of every family member with individual name entries for servants, lodgers, transients and visitors.

There is also an index containing all residents of Restigouche County in 1871.

La compilation suivante est prise de microfilm où l'ordre d'énumération fût prise maison par maison. Il est ànoter que le recenseur n'était pas toujours familier avec les autres langues de la paroisse, donc, par conséquent l'orthographe de certains noms et métiers est souvent phonétique. L'information originale a été maintenue, incluant les nombreuses fautes d'orthographe.

Là ou L'écriture était illisible, le nom "choisit" est suivit soit par un point d'intérogation (?), ðu par des parenthèses ( ) contenant le nom "choisit".

Un index est placé après chaque paroisse contenant le nom de chaque membre de la famille, ainsi que les noms donnés individuellement pour les serviteurs, les pensionaires, les passagers, et les visiteurs.

Il y a aussi un index contenant tous les residents du Comté de Restigouche en 1871.
